This image shows a blank sheet of lined paper. It features horizontal ruling lines across its entire width. The paper is divided into two main color sections: a white upper half and a blue lower half. The transition between the two colors occurs roughly in the middle of the page. In both the white and blue sections, there are multiple horizontal lines spaced evenly apart. The lines in the white section are a very light blue, while the lines in the blue section are white. There is no handwriting or other markings on the paper.
